SUMMARY

Motivated Computer Science and Engineering student with expertise in full-stack web development and networking concepts. Skilled in HTML, CSS, JavaScript, and Python, with experience creating e-commerce sites, quiz platforms, and user-friendly interfaces. Passionate about learning emerging technologies and delivering innovative digital solutions.

PROJECTS

PORTFOLIO WEBSITE

- **Comprehensive Showcase:** The portfolio highlights your skills, projects, and achievements in web development, serving as a professional representation of your technical expertise.
- **Responsive Design:** Built with modern web technologies, it ensures a user-friendly experience across devices, showcasing proficiency in front-end development.
- <https://github.com/DhanushS-2005/My-Portfolio.git>

MY COLLEGE WEBSITE

- **Informative Platform:** The project provides a detailed and structured representation of a college website, showcasing essential sections like courses, facilities, and contact details.
- **UI/UX Focused:** Designed with an emphasis on accessibility and user engagement, highlighting your skills in creating intuitive and visually appealing web interfaces.
- https://github.com/DhanushS-2005/My-College_Website.git

QUIZ WEBSITE

- **Interactive Learning Tool:** This project demonstrates your ability to create engaging and interactive quiz platforms using HTML, CSS, and JavaScript.
